SCHOOL NOTES.

Santa Is Coming

The city schools will close Wednesday afternoon, December 20 for the Christmas holidays, and will reopen Tuesday, January 2 1923. The time for the mid-term examinations which both pupils and teachers look forward with a certain amount of dread, will be so set, if possible, as to come when the new high school building is completed. This is to enable the change from the present building to the new one to be made with as little loss of time as possible. The move is expected to be made late in January.

All of the out-of-town teachers have planned to go home for the holidays, most of them leaving Abbeville next Wednesday afternoon.

The children have already counted the days until Santa Claus is due to come, and we hope that their stockings will be far too little to hold everything Saint Nicholas brings them. The same to the teachers, too.

Up-State Championship

The up-state football champion-

ship will be decided Friday afternoon in Chester, when Thornwell Orphanage team meets Gaffney high team in the last game of the season up-state. The following Friday the winner of this match will meet Charleston High team in Columbia to decide the state championship. The deciding game has been delayed one week on account of the tie game between Rock Hill and Gaffney which was played the day before the high school executive committee threw Rock Hill's games out on account of the ineligibility of one of the Rock Hill players. Supt. J. D. Fulp is chairman of the football committee in the state and his committee will have charge of the championship game to be played in Columbia.

EGGS

No country eggs are being offered on the market at Abbeville. Mr. Barksdale, who keeps up with the price of things says that he has no idea what they are worth, "there ain't no such animal as a fresh egg these days," he says. The Chicago brand of cold storage eggs are selling for 45 cents.

FIRST BAPTIST CHURCH

All the members of the First Baptist church have their special attention called to the fact that next Sunday afternoon the committee on the "Every-Member-Canvass" will call and receive their pledges for the support of the church for 1923.

It is the hope of this committee to get this work entirely out of the way before the opening of the new year. Every member is asked to do his part by this vitally important interest of the church.

Mr. Weeks will preach Sunday at 11.00 a. m. on the subject "Let Love Be Without Hypocrisy." The Sunday night subject will be: "What Shall I do to Inherit Eternal Life."

The Sunday School is growing in power and effectiveness. The two men's classes had a total of 57 men present Sunday. The Baraca class had 41 present. The aim is to have 175 present next Sunday. There is a very ambitious program on for these classes. Watch for announcement concerning it.

The Sunday School is planning a Christmas tree and a program of unusual interest will be given. The probable time for this will be Friday evening, December 22.

The Sunday School will bring in a special offering Sunday for the Orphanage. This offering is to be the results of "Work-Day for the Orphanage." The idea is to have every member of the Sunday School to work for one day during the week especially for the orphans. It is very earnestly hoped that this will result in a large offering from our Sunday School.
